Electric Lights at Minimum Cost

Electric Light is no longer a luxury. Today it is within the easy reach of all. Furthermore, it is the best light for homes, offices, stores, factories, and other interiors, because it is the most convenient and safest light obtainable.

You can have it at a minimum cost by using

MAZDA LAMPS

These lamps give three times as much light as the old carbon lamps, for the same cost for electricity. If you are not equipped with MAZDA Lamps, come in and let us show you the difference.

CHURCHES TOMORROW EVANGELISTIC MUSIC POLICE COURT NOTES

Complete Religious News of Alexandria—Subjects of Sermons of Ministers

Owing to the fact that a number of Alexandria's ministers are away on annual vacations at the present time, pulpits in several churches of the city tomorrow will be filled by supply ministers who will conduct services in the absence of the regular pastors.

At the Second Presbyterian Church the 11 o'clock service tomorrow morning will be conducted by the Rev. J. M. Nourse, of Washington, who is well known in this city, having preached in a number of local churches before. No service will be held on Sunday evenings during the absence of Dr. Allison, who will be away until September.

Rev. Robert U. Brooking, of Washington, will preach and hold services at St. Paul's Protestant Episcopal Church tomorrow at 11 a. m., the Rev. P. P. Phillips, rector, as announced in the Gazette's issue of several days ago, being at Virginia Beach with his family, on his annual leave from duties.

Dr. Phillips will be gone for the month of August and during his absence Dr. Brooking will conduct services every Sunday morning at the usual hour at the church on South Pitt street. No services will be held on Sunday evenings during this month, however, the early communion services at 7:30 a. m. held frequently during the month have been discontinued for August also. Tomorrow morning, the regular monthly celebration of the Holy Communion will take place at 11 o'clock at St. Paul's church.

Christ Episcopal Church has been closed for repairs and will not be reopened until the return of the rector Rev. William J. Morton, from Fredericksburg, about the first of September.

Beginning tomorrow evening at the Methodist Protestant Church, the Rev. Edward T. Kirkley, pastor, will inaugurate a series of sermons on different phases of the life and character of Elisha. Tomorrow evening at 8 o'clock his subject will be "The Humility of Elisha," and following are his themes for the remaining dates: August 13, "The Fearlessness of Elisha," August 20, "The Prophecy of Elisha," August 27, "The Miracles of Elisha." The sermons will be delivered in the evenings, and the public has been extended a cordial invitation to hear them.

At the Methodist Protestant Church tomorrow morning at the usual 11 o'clock services, Holy Communion will be celebrated. The Christian Endeavor meeting will be held at 7:15 as usual.

Salvation Army will hold special meetings tonight and all day Sunday led by Ensign Jessie Cox, of Baltimore. An open air meeting will be held at King and Washington streets at 7:30 p. m. Sunday afternoon at 4 p. m. an open air meeting will be held at King and Washington streets. Sunday night at 8 o'clock there will be a grand salvation rally in the army hall, led by Ensign Cox and Mrs. Ensign Coleman. All are cordially invited to come.

"The Apostasy" will be the subject of the discourse tomorrow night at the Gospel Tent where Evangelist T. E. Gibson has the services in charge. Evangelist Gibson has secured the services of Elden R. T. Donsell of Takoma Park Station, Washington, D. C., who is the secretary and treasurer of the Columbia Union Conference of the Seventh Day Adventists, to speak on this subject. Special songs will be rendered.

The twilight services conducted at Trinity Methodist Episcopal Church on Sunday evenings at 6:45 o'clock are still being held, taking the place of the regular Sunday evening services at 8 o'clock, held in cooler weather. The 6:45 service has become very popular.

J. C. McFadden, will preach at the morning service of the First Baptist Church tomorrow, and Rev. G. L. Allen will occupy the pulpit in the evening.

At the Second Baptist Church tomorrow, Ensign Coleman will conduct both morning and evening services, having announced as his theme, "At Ease in Zion," and his evening subject, "Seeking and Finding Christ." Rev. W. H. Van Ness, pastor of the Free Methodist Church, is still in attendance at the Savage, Md., camp meeting and will not conduct services at the Free Methodist Church tomorrow.

Hundreds of Voices Will Compose Choir at Rev. Gypsy Smith's Meetings

Despite the heat, choirs of the local Protestant churches are practicing regularly to become a part of the huge choral delegation of hundreds of voices that will furnish the musical element of the evangelistic campaign to be conducted in this city in September, and which is now not more than three weeks off.

A number of the Protestant choir-masters have had their choirs begin practicing several weeks ago and now practically all of the choirs have had their first meeting to review the different hymns in the "Billy" Sunday hymnal which will be the hymn-book used during the revivals.

At the first meeting for practice in this book of the choir of the First Baptist Church last night over fifty were present, but, it is announced, a number were kept away because of the heat, and that shortly a hundred singers will attend practice.

Within a week or two from today it is expected that all the choirs that will take part in the revivals, together with members of Protestant congregations trained especially for the services, will hold their first joint meeting to practice together.

George B. Kennedy, choir-master of the Second Presbyterian Church, is the chairman of the music committee for the campaign.

James R. Caton, who is chairman of the general committee, having supervision over the various sub-committees, is expected to announce complete returns shortly of the recent house-to-house canvass made in order to compile a complete church census of the city.

FRATERNAL AMERICANS

Considerable Activity Manifest in Organization — Death Benefit Paid.

Alexandria Council of the Order of Fraternal Americans paid yesterday to Mrs. Georgianna Steele, widow of the late Edwin F. Steele, a member of the local fraternal order, the death benefit due her on account of the death of her husband, which occurred on July 22.

On Thursday night the regular semi-monthly meeting of the Fraternal Americans was held, at which time the first degree of the order was conferred upon one candidate, and the third degree upon another candidate. The meeting was of an interesting character, several committees having in charge special endeavors of the council making encouraging reports.

A great deal of new activity is being taken on by the local council and its already large membership list is showing regular increases in number.

BAPTISTS TO MEET.

Preparations are being made by a number of Alexandria Baptists to attend the annual sessions of the Potomac Baptist Association which will begin in Warrenton, Fauquier county, August 16, and continue for three days. Many of these prominent in the local denominational work will be in attendance, the city of Alexandria having a large representation of members in the association, two of its officers residing here, they being Rev. Eugene B. Jackson, who is historian of the organization, and James R. Mansfield, clerk.

UNSHAKEN TESTIMONY

Time is the test of truth. And Doan's Kidney Pills have stood the test in Alexandria. No Alexandria resident who suffers backache, or annoying urinary ills can remain unconvinced by this twice-told testimony.

Mrs. Martha Byrne, 209 Wilkes street, Alexandria, says: "I suffered severely from backaches and pains throughout my body. My kidneys were badly disordered and the kidney secretions were unnatural. I was steadily running down in health, when a friend advised me to try Doan's Kidney Pills. The first box greatly benefited me, so I kept on using them and I now enjoy good health."

The above statement was given in November 1910, and on April 9, 1915 Mrs. Byrne said: "I very seldom have any trouble with my kidneys now. Doan's Kidney Pills are responsible for my present good health." Price 50c. at all dealers. Don't simply attribute a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Byrne had. Negro Charged With Discharging Pistol at Woman, Said Bullets Were for a Snake

There were but two cases before the Police Court this morning. Paul Crumpton, a colored individual, was the first delinquent brought into the dock. He was charged with disorderly conduct toward his wife. According to the statement of the latter, Crumpton went home and found his wife's brother in the house. His presence so incensed him that he determined to eliminate all prospects for a dinner for the visitor, and the prisoner, accordingly, made an attack upon the edibles which were being prepared by taking a pot from the stove and casting the contents into a slop bucket. A spirited quarrel with his wife followed, which culminated in a call for the police. Crumpton was assessed \$5.

The other case was that of John Goings, another husky specimen of the colored race. He was charged with disorderly conduct toward a fourteen-year-old colored girl, it being alleged that he discharged a pistol at her several times near the corner of Queen and Fayette streets, between 7 and 8 o'clock last night. Officers Zell and Power were in the neighborhood at the time and upon hearing the disorder they entered the premises, heard the girl's story as well as that of her mother and took Goings in charge. The officers seized two pistols they found upon a table. The girl's evidence this morning was to the effect that Goings found her upon the sidewalk and ordered her to enter the house. Upon refusing to obey him, the negro drew a pistol and discharged it through a fence at her. Goings, in his defense, alleged he was shooting at a snake, not at the girl. Upon being asked by the court whether it was a rattlesnake or one of the black species, he declared it was a huge blacksnake four or five feet long, which he several times had attempted to kill. The two women corroborated Goings's snake story. The prisoner, however, was fined \$20 for assault with a pistol. It is suggested that the health department should examine the brand of whiskey sold in the northern section of the city.
